

The Free Software and Open Source
Foundation for Africa

November 29, 2006

Translate.org.za
Tshwane
Republic of South Africa

Ladies and Gentlemen:

On the occasion of the conferment of “Top Civil Society/NGO to bridge the Digital Divide in Africa” award to Translate.org.za, the Free Software and Open Source Foundation for Africa – FOSSFA, wishes to our heart-felt congratulations to the Translate.org.za team .

Indeed, your team has advanced digital development in Africa enormously and this award is only but a small confirmation of your great value in Africa’s drive to bridge the Digital Divide. It is our firm belief that the success crowned will continue and be emulated all over the continent.

Once again, ladies and gentlemen, congratulations!

Yours in Freedom,

Nnenna Nwakanma
Council Chair
